Dear .....

A year has passed and I'm excited to say I'm back!  
Santa sent me again to be his eyes and ears. I hope to  
report good things to Santa each night on your behalf!  
Please just remember not to touch me or my magic will  
disappear.

Now come and join me, Let's spread some Christmas  
cheer!

With love,

Dear .....

Spending this month with you has been so much fun! But the time has come, to say goodbye for now! I'm headed back to the North Pole to help Santa prepare for Christmas next year!

Continue being a good helper for your mom and dad and be kind to others.

Make sure to spread love and kindness throughout the year!

Thanks for the memories. See you next year.

With love,
