New Year's Eve

Minute to Win it Ideas

Drop Bounce: Players bounce a ping pong ball into a cup to simulate the New Year's Eve ball drop. Whoever gets the most balls in the cups within a minute wins.

Countdown Stack: Players must stack 10 plastic cups (representing the 10-second countdown) in a pyramid and then unstack them as fast as possible before the time runs out.

Tinsel Toss: Using a party hat or cone, players toss tinsel or small rings from a distance, trying to hook as many as possible onto the hat within a minute.

New Year's Resolution Write-Off: Players must quickly write down as many New Year's resolutions as possible in one minute. The player with the most unique resolutions wins.

Champagne Tower Challenge: Players stack plastic champagne glasses in a tower. The highest stable tower after one minute wins.

Fireworks Frenzy: Blow up a balloon

and use the air to knock over plastic cups (stacked like a pyramid or spread out). The person who knocks over the most cups wins.

Midnight Snack Relay: Players must transfer cotton balls (or marshmallows) from one bowl to another using only a spoon held in their mouth. The most cotton balls transferred in a minute wins.

Confetti Clean-Up: Using only a straw, players must suck up small pieces of confetti and transfer them to a cup. The person who collects the most confetti pieces in a minute wins.

Pop the New Year: Players must pop as many balloons as possible in a minute using only their bodies (no hands allowed!). Place challenges or fun activities in each balloon for added fun.

Sparkler Shake: Tie a tissue box filled with jingle bells (or small items) around each player's waist. The goal is to shake and wiggle to get as many bells out of the box in one minute.
